2026

Dear Supporter,

THANK YOU!

**Thank you for helping to share the magic with those who need it most.**

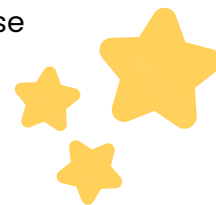

Across the UK, there are children and families who feel isolated. This may be because of disability, additional learning needs, or families facing social, physical or financial disadvantages.

Because of your support, these children are given the chance to experience joy, laughter, and connection through the magic of circus. **For many, it's more than just a show — it's a moment where they feel seen, valued, and included.**

Thank you for supporting your community and helping us to create these unforgettable experiences. We couldn't do it without you.

Kind regards,

**Michelle Crossley**  
Fundraising Director
